FORESIGHT SOLUTIONS

Computer Resources Limited

f Foresight Books

The Foresight Book-keeping program is a fully integrated accounting system that gives you a better focus on your business and its operation. It reduces your accounting tasks to simple data entry. Once transactions have been entered, the Foresight Book-keeping System will do the rest of the work, leaving you free to get back to your business operation. Foresight Books is an information system that measures, processes, and communicates economic information about an identifiable entity to permit the users of the system to make judgements and decisions.
